## Commercial floor mat

i-matt is a durable, clean-in-place, no-trip floor matting system that improves floor safety and ease of cleaning. Better still, the i-matt does not need to be removed before cleaning - it can be cleaned seamlessly with our innovative i-mop, as though it is part of the main floor.

### Total 9m per roll

Comes in a 9m roll of 91.5cm wide x 3 precut sections; an ideal size for entrances and walkways.

### Hi-Trac surface

Certified by NFSI to reduce slip and fall claims by up to 90%.

### Adhesive Technology

Lays flat and stays put with no shifting; easily removed with no residue left behind.

### Hard wearing

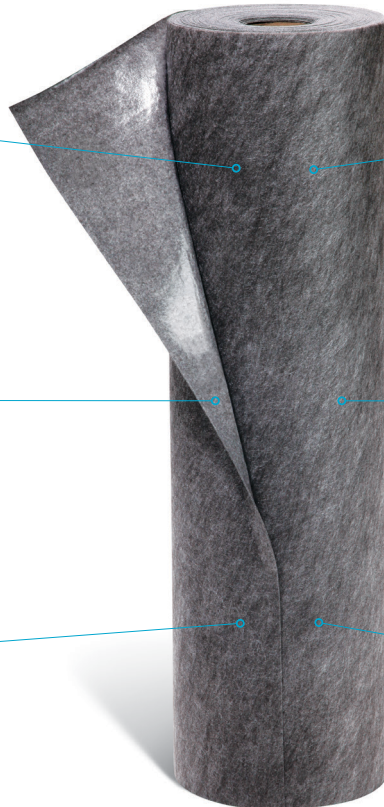

Withstands daily cleaning, extreme foot and wheeled traffic; lasts up to 12 months.

### Super Absorbent

Absorbs and spreads out water, so the i-matt dries fast; traps dirt to prevent it from being tracked around the cleaned area. Each 9m roll holds up to 30 litres of water.

### Easy installation

Easily installed. Connect edges to suit all areas and around corners.
