

# i-mop XL BASIC

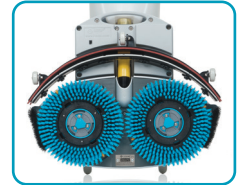

Flexible, effective and fast!

The i-mop is a revolutionary floor cleaning machine that has changed cleaning standards and redefined the concept of a floor scrubber.

**Click on / click off**

Easy to fill, clean & empty and use different tanks for different chemicals.

**Extreme cleaning power**

With 350 rpm brushes and 22kg of scrubbing pressure the i-mop XL has 96% more cleaning power than a 50cm walk behind floor scrubber.

**Extreme mobility**

Low profile deck to clean underneath objects and 360 degrees of flexibility.

**Battery operated**

Runs on Lithium batteries like the i-power 9 or 14 batteries that is easily exchangeable when recharging.

## Features

Battery safety guard	✓
Control panel	✓
Splash guards	✓
Floating ball system	✓
Electronic angle switch	✓
Antibacterial tanks	✓
i-power 20 batteries	✓

## Easy transport

It comes with wheels for transport, folds up for storage and is compact enough to store in a cupboard anywhere.

## Why i-mop XL?

- Extremely manoeuvrable scrubber dryer.
- Dirt removal rating of 97% compared to traditional mopping methods of only 30-40%.
- 30mins with a mop & bucket will take 5mins with an i-mop.
- No more tide marks – cleans right to the edge.
- No trip hazards – runs on portable Lithium batteries
- 80% lighter than a comparable walk behind scrubber.
- Applications include timber, vinyl, tiles, natural stone, concrete and more.
